

Western House Academy

where every opportunity shapes a life

18th September 2020

Parent Carer of:

Class:

Dear Parents/Guardian of

Google Classroom

Subject: Homework on Google Classroom

We hope all our families are keeping well and have had a positive start to the new term.

Western House Academy - Google Classroom Re-Launch

After the success of using Google Classroom during lockdown we will be re-launching Google Classroom for **children in Year 4-6 for weekly homework** activities and to further support and engage your child. At WHA, we are committed to providing high quality home learning opportunities for your child and Google Classroom enables your child's teachers to plan, prepare and distribute learning material as well as provide feedback on how your child is performing.

We will also be using Google Classroom during Computing lessons in school from time to time in order to learn, explore and share.

To join your Google Classroom you will need to visit www.classroom.google.com and login using your child's school account and class code in the attached letter.

Please help your child log in and join the class, then regularly ask your child to show you the work they have been doing.

to question is to grow

It is good practice, and essential if using a shared computer, to log out of Google when your child has finished their work. It is also prudent to change your child's password from the one given to initially log in. Please help your child choose a memorable safe and sensible password and commit it to memory. Remember we may use this in class from time to time so the new password will need to be remembered by your child.

A 'How to use Google Classroom' pupil guide and our code of conduct has been shared with you via the school app and is on the Children – Class Pages - of the school's website:
<https://www.westernhouse.academy/class-pages/>

Should you not have access to a computer or do not want your child to use Google Classroom for homework then please contact the school.

If you need further support logging in or have any questions please do not hesitate to email.

Wishing you and your family all the very best.

Safest Regards

Coral Snowden
Principal
