### 1. Aims

The Park Federation Academy Trust aims to meet its statutory obligations when responding to complaints from parents/carers of children based at the academy, and others.

When responding to complaints, we aim to:

- Be impartial and non-adversarial
- Facilitate a full and fair investigation by an independent person or panel, where necessary
- Address all the points at issue and provide an effective and prompt response
- Respect complainants' desire for confidentiality
- Treat complainants with respect and courtesy
- Make sure that any decisions we make are lawful, rational, reasonable, fair and proportionate, in line with the principles of administrative law
- Keep complainants informed of the progress of the complaints process
- Consider how the complaint can feed into academy improvement evaluation processes

We try to resolve concerns or complaints by informal means wherever possible. Where this is not possible, formal procedures will be followed.

The academy will aim to give the complainant the opportunity to complete the complaints procedure in full.

To support this, we will make sure we publicise the existence of this policy and make it available on the academy website.

Throughout the process, we will be sensitive to the needs of all parties involved, and make any reasonable adjustments needed to accommodate individuals.

## 2. Legislation and guidance

This document meets the requirements set out in part 7 of the schedule to [the Education \(Independent School Standards\) Regulations 2014](#), which states that we must have and make available a written procedure to deal with complaints from parents of pupils at the school.

It is also based on [best practice guidance for academies complaints procedures](#) published by the Education and Skills Funding Agency (ESFA).

In addition, it addresses duties set out in the [Early Years Foundation Stage statutory framework](#) with regards to dealing with complaints about the trust's fulfilment of Early Years Foundation Stage requirements.

## 3. Definitions and scope

### 3.1 Definitions

The DfE guidance explains the difference between a concern and a complaint:

- A **concern** is defined as “an expression of worry or doubt over an issue considered to be important for which reassurances are sought”
- A **complaint** is defined as “an expression of dissatisfaction however made, about actions taken or a lack of action”

### 3.2 Scope

The academy intends to resolve complaints informally where possible, at the earliest possible stage.

There may be occasions when complainants would like to raise their concerns formally. This policy outlines the procedure relating to handling such complaints.

This policy does **not** cover complaints procedures relating to:

- Admissions
- Statutory assessments of special educational needs (SEN)
- Safeguarding matters
- Exclusion
- Whistle-blowing
- Staff grievances
- Staff discipline
- Withdrawal from the curriculum (parents and carers can withdraw their child from any aspect of religious education, including the daily act of collective worship. They do not have to explain why)

Please see our separate policies for procedures relating to these types of complaint.

Complaints about services provided by other providers who use premises or facilities should be directed to the provider concerned.

## 4. Roles and responsibilities

### 4.1 The complainant

The complainant will get a more effective and timely response to their complaint if they:

- Follow these procedures
- Co-operate with the academy or trust throughout the process, and respond to deadlines and communication promptly
- Ask for assistance as needed
- Treat all those involved with respect
- Do not approach individual governors about the complaint
- Do not publish details about the complaint on social media

## 4.2 The investigator

An individual will be appointed to look into the complaint, and establish the facts. They will:

- Interview all relevant parties, keeping notes
- Consider records and any written evidence and keep these securely
- Prepare a comprehensive report to the Principal, CEO or complaints committee which includes the facts and potential solutions

## 4.3 The complaints co-ordinator

The complaints co-ordinator can be:

- The Principal or CEO
- The designated complaints Board Director who has oversight of Operations
- Any other staff member providing administrative support

The complaints co-ordinator will:

- Keep the complainant up to date at each stage in the procedure
- Make sure the process runs smoothly by liaising with staff members, the Principal, Board Director with oversight of Operations, clerk and CEO and chair of trustees
- Be aware of issues relating to:
  - Sharing third party information
  - Additional support needed by complainants, for example interpretation support or where the complainant is a child or young person
- Keep records

## 4.4 Clerk to the Academy Council and Trust Board

The clerk will:

- Be the contact point for the complainant and the complaints committee, including circulating the relevant papers and evidence
- Arrange the complaints hearing
- Record and circulate the minutes and outcome of the hearing

## 4.5 Committee chair

The committee chair will:

- Chair the meeting, ensuring that everyone is treated with respect throughout
- Make sure all parties see the relevant information, understand the purpose of the committee, and are allowed to present their case

## 5. Principles for investigation

When investigating a complaint, we will try to clarify:

- What has happened
- Who was involved
- What the complainant feels would put things right

### 5.1 Time scales

The complainant must raise the complaint within 3 months of the incident. If the complaint is about a series of related incidents, they must raise the complaint within 3 months of the last incident.

We will consider exceptions to this time frame in circumstances where there were valid reasons for not making a complaint at that time and the complaint can still be investigated in a fair manner for all involved.

When complaints are made out of term time, we will consider them to have been received on the first school day after the holiday period.

If at any point we cannot meet the time scales we have set out in this policy, we will:

- Set new time limits with the complainant
- Send the complainant details of the new deadline and explain the delay

## **5.2 Complaints about our fulfilment of early years requirements**

We will investigate all written complaints relating to the trust's fulfilment of the Early Years Foundation Stage requirements, and notify the complainant of the outcome within 28 days of receiving the complaint. The academy will keep a record of the complaint (see section 10) and make this available to Ofsted on request.

Parents and carers can notify Ofsted if they believe that the academy is not meeting Early Years Foundation Stage requirements, by:

- Calling 0300 123 4666
- Emailing [enquiries@ofsted.gov.uk](mailto:enquiries@ofsted.gov.uk).
- Using the online contact form is also available at <https://www.gov.uk/government/organisations/ofsted#org-contacts>.

We will notify parents and carers if we become aware that the academy is to be inspected by Ofsted. We will also supply a copy of the inspection report to parents and carers of children attending the setting on a regular basis.

## **6. Stages of complaint (not complaints against the trust, CEO or Directors)**

We have adopted a 4-stage process for dealing with complaints:

- Stage 1 – informal resolution
- Stage 2 – formal investigation
- Stage 3 – Academy Council/local governing body panel hearing
- Stage 4 – review by the trust board

### **6.1 Stage 1: informal**

We make every effort to address any concerns or complaints early through informal measures.

The complainant should raise the complaint as soon as possible within the timescales set out in section 5.1.

The complaint should be addressed to the relevant member of academy staff or the Principal, either in person or by letter, telephone or email. If the complainant is unclear who to contact or how to contact them, they should contact their school office by email or telephone. Complainants should not approach individual Academy Council members or Board Directors to raise informal concerns or complaints.

The trust will acknowledge informal complaints within 3 school days, which will confirm how the trust intends to proceed, including an indication of the anticipated timescale.

The informal stage will involve a meeting between the complainant and the Principal or their deputy. A written response will be provided by the trust within 10 school days following the informal meeting.

If the complaint involves the Principal or a member of the Academy Council, stage 1 will be completed by the chair of the Academy Council.

If the complaint involves the chair of the Academy Council, stage 1 will be completed by either the CEO or chair of the board of Directors.

The informal stage may involve a meeting between the complainant, the trust representative and the person that is the subject of the complaint as necessary.

If the complaint is not resolved informally, it will be escalated to a formal complaint.

## 6.2 Stage 2: formal

The formal stage involves the complainant putting the complaint in writing (unless the complainant has a sufficient reason to request a reasonable adjustment be made to amend this). This letter should provide details such as:

- Relevant dates and times
- The names of witnesses of events
- What the complainant feels would resolve the complaint

The letter should be submitted alongside copies of any relevant documents.

### Addressing the complaint

Complaints not involving the Principal or a member of the Academy Council should be directed to the Principal. This can be done by:

- Email: each of our academies has an email address prefixed with the academy abbreviation and [office@theparkfederation.org](mailto:office@theparkfederation.org) (details are available on the academy website) and should be marked for the attention of the Principal
- Letter addressed to the Principal, delivered to the school office

Complaints involving the Principal or a member of the Academy Council should be directed to the chair of the local Academy Council. This can be done by:

- Email: [scarterwha@theparkfederation.org](mailto:scarterwha@theparkfederation.org)
- Letter addressed to the chair of the Academy Council, delivered to the school office

Complaints involving the chair of the Academy Council should be directed to the CEO or Chair of the Board of Directors. This can be done by:

- Email: [TPFconcerns@theparkfederation.org](mailto:TPFconcerns@theparkfederation.org)
- Letter: FAO Dr. Young CEO or Mr Muralee Nair, Chair of Board of Directors, The Park Federation Academy Trust C/O James Elliman Academy Trust, Elliman Avenue, Slough, Berkshire, SL2 5BA.

If complainants need assistance raising a formal complaint, they can contact the trust office on 0203 096 9754 or email [TPFoffice@theparkfederation.org](mailto:TPFoffice@theparkfederation.org).

### Investigation

The complainant will receive written acknowledgement of their complaint within 3 school days.

The headteacher or the chair of the local governing body will then conduct their own investigation.

If the complaint is:

- Jointly about the chair and vice-chair or
- The entire Academy Council or
- The majority of the Academy Council

The CEO or trust board will conduct the investigation.

The written conclusion of this investigation will be sent to the complainant within 10 school days.

If we are unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions to be taken to resolve the complaint.

If the complainant is not satisfied with the response and wishes to proceed to the next stage of this procedure, they should inform the clerk to the board of Directors in writing within 14 school days.

### **6.3 Stage 3: review panel**

#### **Convening the panel**

Complaints will be escalated to the panel hearing stage if the complainant is not satisfied with the response to the complaint at the second, formal stage.

The panel will be appointed by or on behalf of the trust and must consist of at least 3 people who were not directly involved in the matters detailed in the complaint. At least 1 panel member must be independent of the management and running of the school. The panel cannot be made up solely of local academy council members, as they are not independent of the management and running of the academy.

If the complaint is:

- Jointly about the chair and vice-chair or
- The entire Academy Council or
- The majority of the Academy Council

The panel will be made up of trustees and an independent panel member.

The panel will have access to the existing record of the complaint's progress (see section 10).

The complainant must have reasonable notice of the date of the review panel. The clerk will aim to find a date within 21 school days of the request, where possible.

If the complainant rejects the offer of 3 proposed dates without good reason, the clerk will set a date. The hearing will go ahead using written submissions from both parties.

Any written material will be circulated to all parties at least 5 school days before the date of the meeting.

The board will ensure that the hearing is properly minuted.

#### **At the meeting**

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless required as part of reasonable adjustments. Prior knowledge and consent of all parties attending will be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

At the review panel meeting, the complainant and representatives from the school, as appropriate, will be present. Each will have an opportunity to set out written or oral submissions prior to the meeting.

The complainant must be allowed to attend the panel hearing and be accompanied if they wish. We don't encourage either party to bring legal representation, but will consider it on a case-by-case basis. For instance, if an academy employee is called as a witness in a complaint meeting, they may wish to be supported by their union.

Representatives from the media are not permitted to attend.

At the meeting, each individual will have the opportunity to give statements and present their evidence, and witnesses will be called, as appropriate, to present their evidence.

The panel, the complainant and the school representative(s) will be given the chance to ask and reply to questions. Once the complainant and academy representative(s) have presented their cases, they will be asked to leave and evidence will then be considered.

The panel will then put together its findings and recommendations from the case. The panel will also provide copies of the minutes of the hearing and the findings and recommendations to the complainant and, where relevant, the individual who is the subject of the complaint, and make a copy available for inspection by the trust and Principal.

#### **The outcome**

The committee can:

- Uphold the complaint, in whole or in part
- Dismiss the complaint, in whole or in part

If the complaint is upheld, the committee will:

- Decide the appropriate action to resolve the complaint
- Where appropriate, recommend changes to the academy's systems or procedures to prevent similar issues in the future

The academy will inform those involved of the decision in writing within 5 school days.

#### **6.4 Stage 4: review by the trust board**

Where the academy-based complaints procedure has been completed, and the complainant does not feel their complaint has been addressed to their satisfaction, they may contact the trust in writing to request a review of the complaint investigation.

They can do this by:

- Email: [TPFConcerns@theparkfederation.org](mailto:TPFConcerns@theparkfederation.org)
- Post: Dr. Young, The Park Federation Academy Trust C/O James Elliman Academy Trust, Elliman Avenue, Slough, Berkshire, SL2 5BA.

The written request should include a summary of the complaint, along with any relevant dates, times and evidence.

The trust cannot overturn decisions on complaints made during the school's complaints procedure. However, it can assess whether the school considered the complaint appropriately. If the school is found not to have considered the complaint appropriately, the trust will request that the complaint is reconsidered within 10 school days.

### **7. Complaints against the trust, CEO or Board Directors**

#### **7.1 Stage 1: informal**

We make every effort to address any concerns or complaints early through informal measures.

The complainant should raise any concerns as soon as possible within the timescales set out in section 5.1.

The complaint should be addressed to the relevant member of the trust's central team, or the chief executive officer (CEO).

If the concern regards the CEO, the complainant should contact the chair of the board of trustees.

If the complainant is unsure who to contact, or needs to contact the chair of the board of directors, they should contact the trust office via email: [TPFOffice@theparkfederation.org](mailto:TPFOffice@theparkfederation.org) or telephone 0203 096 9754.

The process for responding to and investigating an informal complaint about the trust or central staff is the same as that set out in section 6.

#### **7.2 Stage 2: formal**

If the complaint is not resolved satisfactorily at the informal stage, the complainant must submit a formal complaint in writing.

The complainant will receive written acknowledgement of their complaint within 3 school days.

The investigating officer will then conduct an investigation, in line with the process set out in section 6 above, providing a written response to the complainant within 21 school days.

#### **7.3 Stage 3: panel hearing**

##### **Convening the panel**

Complaints will be escalated to the panel hearing stage if the complainant is not satisfied with the response to the complaint at the second, formal stage.

A panel will be appointed by the trust, and will consist of 3 members of the board not involved in investigating the complaint in the formal stage.

If the complaint is:

- Jointly about the chair and vice-chair or
- The entire trust board or
- The majority of the trust board

The panel will be entirely made up of independent members.

The complainant will have reasonable notice of the date of the review panel. The clerk will aim to find a date within 10 school days of the request, where possible.

If the complainant rejects the offer of 3 proposed dates without good reason, the clerk will set a date. The hearing will go ahead using written submissions from both parties.

Any written material will be circulated to all parties at least 5 school days before the date of the meeting.

The complainant and representatives from the trust, as appropriate, will be present at the panel hearing. Each will have an opportunity to set out written or oral submissions prior to the meeting.

The complainant must be allowed to attend the panel hearing and be accompanied if they wish.

The board will ensure that the hearing is properly minuted.

#### **At the meeting**

At the meeting, each individual will have the opportunity to give statements and present their evidence, and witnesses will be called, as appropriate, to present their evidence.

The panel, the complainant and the trust representative(s) will be given the chance to ask and reply to questions. Once the complainant and trust representative(s) have presented their cases, they will be asked to leave and evidence will then be considered.

The panel must then put together its findings and recommendations from the case. The panel will also provide a copy of the findings and recommendations to the complainant and, where relevant, the individual who is the subject of the complaint, and make a copy available for inspection by the trust.

The panel will inform those involved of the decision in writing within 21 school days.

### **8. Referring complaints on completion of the academy and trust procedures**

If the complainant is unsatisfied with the outcome of the complaints procedure, they can refer their complaint to the Education and Skills Funding Agency (ESFA). The ESFA will check whether the complaint has been dealt with properly. The ESFA will not overturn the decision about a complaint, but will intervene if an academy or trust has:

- Breached a clause in its funding agreement
- Failed to act in line with its duties under education law
- Acted (or is proposing to act) unreasonably when exercising its functions

If the complaints procedure is found to not meet regulations, the Trust will be asked to correct its procedure accordingly.

For more information or to refer a complaint, see the following webpage:

<https://www.gov.uk/complain-about-school>

We will include this information in the outcome letter to complainants.

### **9. Unreasonable and Persistent complaints**

#### **9.1 Unreasonably persistent complaints**

Most complaints raised will be valid, and therefore we will treat them seriously. However, a complaint may become unreasonable if the person:

- Refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance
- Refuses to co-operate with the complaints investigation process
- Refuses to accept that certain issues are not within the scope of the complaints procedure
- Insists on the complaint being dealt with in ways which are incompatible with the complaints procedure or with good practice
- Introduces trivial or irrelevant information which they expect to be taken into account and commented on
- Raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales
- Makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced
- Changes the basis of the complaint as the investigation proceeds
- Repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed)
- Refuses to accept the findings of the investigation into that complaint where the complaints procedure has been fully and properly implemented and completed, including referral to the ESFA
- Seeks an unrealistic outcome
- Makes excessive demands on school time by frequent, lengthy and complicated contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with
- Uses threats to intimidate
- Uses abusive, offensive or discriminatory language or violence
- Knowingly provides falsified information
- Publishes unacceptable information on social media or other public forums

**Please note:** the above list is not intended to be exhaustive and is for guidance purposes only. It is at the discretion of the trust what is deemed to be unreasonable.

Complainants should try to limit their communication with the school/trust while the complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text), as it could delay the outcome being reached.

#### **Steps we will take**

We will take every reasonable step to address the complainant's concerns, and give them a clear statement of our position and their options. We will maintain our role as an objective arbiter throughout the process, including when we meet with individuals. We will follow our complaints procedure as normal (as outlined above) wherever possible.

Whenever possible, the academy/trust will discuss any concerns with the complainant informally before applying an 'unreasonable' marking. If the behaviour continues, the academy/trust will write to the complainant explaining that their behaviour is unreasonable, refer them to this policy and remind them to act in accordance with it. For complainants who excessively contact the school causing a significant level of disruption, we may:

- Give the complainant a single point of contact via an email address
- Limit the number of times the complainant can make contact, such as a fixed number per term
- Ask the complainant to engage a third party to act on their behalf, such as [Citizens Advice](#)
- Put any other strategy in place as necessary

In response to any serious incident of aggression or violence, we will immediately inform the police and communicate our actions in writing. This may include barring an individual from academy premises and ensuring appropriate measures of support are provided to staff where they are the subject of aggression and/or violence.

## **9.2 Serial/persistent complaints**

If the complainant contacts the academy/trust again on the same issue, the correspondence may then be viewed as 'serial' or 'persistent'. We may stop responding to the complainant when the following conditions are met:

- We have taken every reasonable step to address the complainant's concerns
- The complainant has been given a clear statement of our position and their options
- The complainant contacts the academy/trust repeatedly, making substantially the same points each time

The case to stop responding is stronger if:

- The complainant's communications are often or always abusive or aggressive
- The complainant makes insulting personal comments about or threats towards staff
- We have reason to believe the individual is contacting the academy/trust with the intention of causing disruption or inconvenience

Where we decide to stop responding, we will inform the individual that we intend to do so. We will also explain that we will consider any new complaints they make provided the concerns raised are materially different to those raised previously and/or are unconnected to the previous concern

## **9.3 Duplicate campaigns**

Where the academy receives a large volume of complaints about the same topic or subject, especially if these come from complainants unconnected with the academy, the academy may respond to these complaints by:

- Publishing a single response on the academy website
- Sending a template response to all of the complainants

If complainants are not satisfied with the response, or wish to pursue the complaint further, the normal procedures will apply.

## **9.4 Complaint campaigns**

Where the academy/trust receives a large volume of complaints about the same topic or subject, especially if these come from complainants unconnected with the academy, trust, the academy/trust may respond to these complaints by:

- Publishing a single response on the academy/trust website
- Sending a template response to all of the complainants

If complainants are not satisfied with the academy's/trust's response, or wish to pursue the complaint further, the normal procedures will apply.

## **10. Record keeping and confidentiality**

The academy/trust will record the progress of all complaints, including information about:

- Actions taken at all stages
- The stage at which the complaint was resolved
- The final outcome

The records will also include copies of letters and emails, and notes related to meetings and phone calls.

This material will be treated as confidential and stored securely, and will be viewed only by those involved in investigating the complaint or on the review panel.

In the case of complaints about the trust or central staff, these records will be managed by the CEO or clerk to the board of trustees, and will be stored securely in the trust's offices under restricted access.

This is except where the secretary of state (or someone acting on their behalf) or the complainant requests access to records of a complaint through a freedom of information (FOI) request or under the terms of the Data Protection Act, or where the material must be made available during a school inspection.

Records of complaints will be kept securely, only for as long as necessary and in line with data protection law, our privacy notices and records management policy / record retention schedule.

The details of the complaint, including the names of individuals involved, will not be shared with the whole Academy Council of the academy (or the entire trust board) in case a review panel needs to be organised at a later point.

Where the Academy Council is aware of the substance of the complaint before the review panel stage, the academy will (where reasonably practicable) arrange for an independent panel to hear the complaint.

Complainants also have the right to request an independent panel if they believe there is likely to be bias in the proceedings. The decision to approve this request is made by the Academy Council, who will not unreasonably withhold consent.

## **11. Learning lessons**

The Academy Council Chair and CEO will review any underlying issues raised by complaints with the Principal, where appropriate, and respecting confidentiality, to determine whether there are any improvements that the academy/trust can make to its procedures or practice to help prevent similar events in the future.

The trust Board through the CEO will receive regular reports on the types of complaints received in each academy in order to support the development of appropriate support structures, and to inform any improvements to procedures or practice.

## **12. Monitoring arrangements**

The Board of Directors of The Park Federation Academy Trust will monitor the effectiveness of the complaints procedure in making sure that complaints are handled properly. The CEO along with Board Directors will track the number and nature of complaints, and review underlying issues as stated in section 11.

The complaints records are logged and managed by the Clerk. Complaints will be reported to Academy Council members via the Principals report in the form of numbers, but excluding detail.

This policy will be reviewed by Board Directors of The Park Federation Academy trust on an annual basis.

At each review, the policy will be approved by the CEO on behalf of the Board of Directors.
