

08th September 2025

Dear Parents and Guardians,

Meal price change

We are writing to inform you that our existing catering contract has ended. Following a competitive procurement process, we have appointed Pabulum Catering as our catering provider for the next three years. This decision was based on their ability to provide best value in line with our public duty.

The previous meal price was based on rates secured before the recent significant increases in the sector. By using our collective buying power through the tendering process, we have been able to secure the lowest possible costs in the current climate.

Effective for this academic year, the new meal price will be £2.53.

Please accept our sincerest apologies for the delay in communicating this change. This information was meant to have been shared with you sooner via ParentPay.

We are confident that Pabulum Catering will provide a high-quality service for our children.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Jas Sohal
